Prominently Placed

LVH is a historic former depository with locally rare and thus distinctive red-brick architecture. Its prominent frontage forms the gateway to The Old Quarter in Trinity Square and St Peter Port's town centre.

As it is located at the upper end of La Charroterie, one of the principal routes connecting the southern parishes to the town centre, it sits opposite The States of Guernsey's headquarters. Other established office buildings such as Mill Court, Elizabeth House and Mill Place are also nearby.

Bus stops are just a few steps away, **LVH** being on main routes including those between town and the airport. St Martin's Village is also close by.

LVH falls within St Peter Port's main centre inner boundary.
