Location
Prominent

3 & 3a The Bridge is situated in the parish of St Sampson in the heart of Guernsey's second main retail centre. The property comprises a retail unit on the ground floor and an office at first floor level.

LOCATION

3 & 3A The Bridge is situated in the parish of St Sampson in the heart of Guernsey's second main retail centre. Being positioned along the main parade, it benefits from good levels of footfall, passing trade and a good provision of onstreet parking immediately outside.

Other occupiers nearby include Costa Coffee, Boots, Lloyds Bank, Northside Chip Shop, as well as a number of other independent retailers.

Whilst the surrounding area already enjoys predominantly high density residential usage, the planned residential and commercial redevelopments of Leale's Yard and the former Saltpans Data Park (now owned by the Guernsey Housing Association) will increase surrounding population density. These two developments alone propose more than 500 new homes.

The Subject Property's position means that a wide range of alternative uses could be considered, including medical uses and those from within the hospitality sectors.

DESCRIPTION
